The Greater Huntsville Section celebrated the wedding of section Council member Nishanth Goli on December 3, 2017. Nishanth, the section's Liaison to Professional Societies, wed Ranjan Patel in a traditional Indian ceremony at the ISSO Shree Swaminarayan Temple of Huntsville.

The Greater Huntsville Section came out in force to congratulate Nishanth and Ranjan and to celebrate with their family and friends. Attendees included Brittani Searci, Tammy and Matt Statham, Ken and Lisa Philippart, Lauren Badia, Brian Landrum and Phillip Ligrani.

The outdoor ceremony took place under a warm, blue sky with plenty of sunshine. In true AIAA fashion, Nishanth, who works in the Unmanned Aerial Vehicle (UAV) field, had arranged for an UAV to record a birds-eye view of the festivities.

Following the elaborate and colorful marriage rituals, guests were treated to a delicious feast of traditional Indian foods, drinks and desserts.

Congratulations Nishanth and Ranjan as you begin your lives together. Thank you for sharing your special day with your AIAA family!
