

NOVEMBER 2021

# Building Community: Huntsville Tinsel Trail

Written by Theresa Jehle

The AIAA Greater Huntsville Section (GHS) is lighting up the holiday season this year with its participation in Huntsville's Downtown Tinsel Trail. On Saturday, November 19th several members of AIAA GHS met at Big Spring Park to select the section's tree for the first time.

Our volunteers had the opportunity to get to know each other while decorating the tree with ornaments that were created during the section's participation in Huntsville's STEAMfest 2021; ornaments were painted and decorated with the help of the children who visited our AIAA GHS booth during the big Science Festival.

We hope these bright students and their families get a chance to visit the tree and spot their ornament!

The Tinsel Trail Tree Lighting Ceremony is scheduled for November 26th at 6:00 pm. If you decide to snap a picture during your visit, please consider sharing it with us at [distribution@hsv-aiaa.org](mailto:distribution@hsv-aiaa.org), on twitter [#AIAAHuntsville](https://twitter.com/AIAAHuntsville), or facebook [AIAA Greater Huntsville Section](https://www.facebook.com/AIAAGreaterHuntsvilleSection).

**Best wishes this Holiday Season!**
